Buick Regal The Buick Regal was a mid size car from the Buick division of General Motors from 1973 to 2004. In 2011 it was reintroduced in the North American market as an upscale sport sedan. During its first production run from 1973, for certain model years it shared its body and powertrains with the

many years. Although many of the early American cars were very much in the category of "dirt-track brawler", being the kind of vehicle that could hold its own in a fight but not built for luxury, General Motors spotted a gap in the market for something that could boast a little bit more quality, and the Buick brand ...
