For Young Women Only is a self-help book for women in their teenage years to early twenties. The book itself gives helpful tips to "figure out" guys. Though the topic may seem impossible, Feldhahn, with the help of Christian Living's associate editor Lisa A. Rice, tackles the issues and brings them into terms we all can understand.

The best gifts for women—as with the best gifts for most people—are the perfect combination of unique and thoughtful. You want to get the women in your life items that feel personal, but they can't be original to the point of uselessness (save those for Christmas white elephant parties, of course). A kitschy present is great only if the

Although young children are very aware of their sexual organs, as children grow up, they go through what psychiatrist Sigmund Freud termed the latency stage, when they pretty much put sex out of their minds. The latency stage is the period of time when boys think that all girls are yucky, and girls think that all boys are even worse.
