He got another canvas and started sketching away. By 6 in the morning, he had done 4 sketches of the same face, in different angles. He grabbed his brush and apron and finally started to mix the colors for the nameless face. He decided to make his skin milky white since if his memory served him right, the face was rally pale and sensitive looking.

A Portrait of You - A Nameless Face - Wattpad

The Mannerist master at the 16th-century imperial Habsburg courts of Vienna and Prague, Giuseppe Arcimboldo of Milan was probably the best known artist for creating extraordinary hidden faces. He arranged flowers, vegetables, fruits, shells, scallops and other animals, books and different things on the canvas in such a way that the whole collection of objects formed a portrait.
