OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

John Dreamer Kindle Edition Elise

In John Dreamer, author Elise Celine has ma The seven are told that this place will make their dreams come true, but not the materialistic or romantic sort. Rather, it is about overcoming deep fears that are holding each of these seven back.

John Dreamer (John Dreamer #1) by Elise Celine

John Dreamer is a book that I would recommend to middle school and high school kids. If discussed with parents it can be a great tool to teach kids about the importance of communication. Hurts and sad experiences if repressed might impact a person's behavior and possibly halt their real potential.
