125-508 Oil Drain Valve - JThomas Parts
The ball valve design of the EZ Oil Drain Valve is a great design, because unlike spring-assisted gate valves, it can withstand higher pressure and engine vibration. Our valves have been rated and tested up to 250 PSI. The EZ Oil Drain Valve incorporates the ball valve design with a nickel-plated body for additional protection from the elements.

By simply replacing your stock oil drain plug, you can drain your engine oil without tools or mess. Trusted by over 10 million satisfied customers, the original Fumoto Engine Oil Drain Valve continues to offer individuals, truck owners, marine engine mechanics, and industrial engine maintenance technicians the ability to conduct routine engine oil changes easily, cleanly, and without tools.

Buy Fumoto® Valve Online | Replace Oil Drain Plug
Kohler Command PRO 999cc engines- Kohler has tested and approved the use of 20W-50 oil in its Command PRO 999cc engines. It has been determined that oil consumption can be reduced by as much as 30% by switching from 10W30 to 20W50. 20W50 is now the recommended oil for most operating temperatures of the Command PRO 999cc engine.

Kohler Engine Oil Recommendation
The stahlbus®-oil drain valve is manufactured out of high-strength steel and can be used in any combustion engine. It can be easily exchanged for the original drain plug. Anywhere an oil change is necessary - the stahlbus® oil drain valve is the ideal solution.
