Legal Research Quiz - Chapter 5 Flashcards | Quizlet

Persuasive authority is non binding authority, the court may follow it, IF it is persuaded to do so, but it is not required that the court follow it. Secondary authority is always persuasive authority; legal encyclopedias, legal periodicals, Legal dictionaries, and restatements are all examples of secondary authority.

Legal Research Exercise Assignment Example | Topics and ...

At its most basic definition the practice of law comprises conducting research to find relevant rules of law and then applying those rules to the specific set of circumstances faced by a client.

However, in American law, the legal rules to be applied derive from myriad sources, complicating the process and making legal research different from other sorts of research.
