Teaching Yourself the Basics of Psychology 1 Decide what psychological subjects you're interested in. Psychology is the study of the human mind, but there are many different sub-topics within it, like child development, cognitive psychology, social psychology, and clinical psychology.

How to Obtain a Basic Knowledge of Psychology: 13 Steps

Teaching theories: educational psychology Traditional theories Mental-discipline theories. The earliest mental-discipline theories of teaching were based on a premise that the main justification for teaching anything is not for itself but for what it trains—intelligence, attitudes, and values. By choosing the right material and by emphasizing rote methods of learning, according to that theory ...
