A revision and renewal of this calculus textbook, now in its seventh edition. The author has sought to utilize the technology now available for the teaching and learning of calculus. The hand-held graphics calculator is one such form of technology that has been integrated into the book.

The Calculus 7 by Louis Leithold - Goodreads

However, the standout text in my collection is "The Calculus 7" by Louis Leithold and I am fortunate enough to have the instruct-ors solutions manual. Leithold has written the best standard text at this level period. The only caveat is that this is not a text for unmotivated students who are not well prepared in Precalculus or not highly motivated.
