The Fascist: His State and His Mind (Studies in Fascism ...

In presenting "The Fascist, His State and His Mind," Mr. Ashton employs a method which is in some respects similar to that of the Fascist propagandists themselves. In turn he reviews the political, the economic, and the administrative structure of the collectivist state, giving little attention to a description of its operation but reiterating again and again the Fascist conception of its purpose and meaning.

In fascist ideology, the State cannot achieve and maintain power without strict discipline and the complete unity of mind and body. In this way, physical violence is necessary to suppress anyone who stands outside the group and in the way of the State's power. The State's ever-increasing strength is, in effect, the meaning of life.
