[EPUB] Weber Tuning Manual

Useful and interesting guide and manual to selecting and tuning Weber carburetors. The writing style is unusual for a technical manual in that the author shows his English origins in his wordy and somewhat pompous style. I suspect the book might not be relied on as much as it should be because of all the wordiness that has to be endured to get ...

Weber IDF Carburetors - Setting up out of the box So, you just got a new set of Weber IDF carburetors, and you just pulled them out of the box. Cool, you think, I will just bolt 'em up and run 'em. Yeah, good luck with that. You'll be bitching in short order about how crappy they are and how you can't seem to make them work right.

4g13 Tuning Manual - widgets.uproxx.com

The service was prompt and the book arrived as advertised. My only complaint, and this has nothing to do with the seller, was Haynes, in their usual way, crammed too many carbs into the book at the expense of detail. My only interest was in the DCOE and the manual provides the minimal info on it.
